

# PVC Square Tube Wrap

## Single-Ply Accessory

### Commercial Product Data Sheet

#### Description

Increase efficiency when covering square or rectangular pipes with factory-built Siplast PVC Square Tube Wraps. These single-ply roofing system preformed accessories provide roofing contractors with an effective, easy-to-install detail. Siplast manufactures these and other accessories from its proven, durable PVC single-ply reinforced membranes. Siplast PVC accessories can help you reduce installation costs, risk of leaks, and callbacks, while helping you create a uniform look.

#### Application

Preformed accessories may be installed on mechanically attached and fully adhered Siplast PVC and PVC KEE roofing systems, using conventional techniques. See published application and specifications manual for detailed instructions.

#### Product Information

Siplast PVC Square Tube Wraps are constructed from Siplast PVC reinforced membrane. Two standard sizes of PVC Square Tube Wraps are available. Since they are split, they can be wrapped around square and rectangular roof structures such as machinery screen supports. A stainless-steel clamp is included to assist in sealing the top edge of the wrap.
