

# Parasolo™ TPX Cut Edge Sealant

## Commercial Product Data Sheet

With you every step of the way

### Description:

Parasolo TPX Cut Edge Sealant is designed for sealing non-factory edges of TPO membranes.

### Uses:

Parasolo TPX Accessory

<b>Coverage:</b>	100 lin ft (30 m per 473 mL)
<b>Shelf Life:</b>	24 months (unopened) from manufacture date
<b>VOC:</b>	454 g/L

### Application:

Refer to the applicable Siplast Technical Guide and applicable Siplast details for information on the application of TPO Cut Edge Sealants.

### Storage and Handling:

All Siplast roofing products should be stored on a clean flat surface in a dry place. Keep out of direct exposure to the elements, in a well-ventilated area at 40°F – 90°F (4°C – 32.2°C). Material should be handled so that it remains dry prior to and during installation.

See product packaging and Safety Data Sheet for specific information on the safe handling of this product.

### Packaging:

Primary Packaging: 12 bottles (1 pint each) per box
